SHARED EXPECTATIONS AND RESPONSIBILITIES

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for **leaders at Bona Vista Primary School** are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers at Bona Vista Primary School** are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful – this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class)
- assess homework and provide timely and practical feedback
- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- in dialogue, linking homework to:
 - previous experiences the child and/or parent/carer may have had
 - family culture(s), history(ies) and language(s)
 - relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

Homework in Prep to Year 3:

- Will generally not exceed 20 minutes a day or be set on weekends or during vacations.

Bona Vista Primary School

- May include enrichment activities for parents to engage in with their children – family task

- Will generally not exceed 30 minutes a day.
- Will mainly consist of independent reading on a daily basis.
- May include tasks that can be completed independently to support classroom learning. This may include teachers assigning unfinished classroom activities as home tasks (without exceeding 30 minutes).

Students will not be kept inside during recess or lunch to complete unfinished homework tasks. This may be varied if it is unfinished class work. Teachers will contact parents if they have any issues regarding homework tasks.

SUPPORT FOR STUDENTS AND PARENTS/CARERS

Bona Vista Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child's teacher.
